PRACTICE PRO™
The Total Practice Solution | *For Success*

Compliance. You can't afford mistakes.

HIPAA, PQRS, ICD-10, Functional Limitation Reporting, Therapy Cap, 8-minute rule…

This list is sure to grow. A single slip-up can sink your practice. Best case scenario, you're looking at significant fines and penalties. You don't need to worry. With Practice Pro's secure, cloud-based EMR, you can rest easy knowing your data is protected. Relax, you'll have peace of mind knowing Practice Pro has your back, because it knows the rules. *All of them.*

HIPAA COMPLIANT

HIPAA Compliance. A single mistake can sink your practice. Best case scenario, significant fines and penalties. You don't need to worry with Practice Pro, with our secure, cloud-based EMR, you can rest easy knowing your data is protected.

ICD 10

The World Health Organization develops and publishes ICD codes, and national governments adopt the system. Lack of compliance means you won't get paid. Our integrated ICD-10 tools are developed to keep your cash registers ringing.

PQRS
PHYSICIAN QUALITY REPORTING SYSTEM

Physican Quality Reporting System. Track your clinic's participation in our 'Compliance Dashboard'. Relax knowing that the system will remind your clinical staff when PQRS codes are due.

8

Accurate Physical Therapy billing requires integrated intelligence to be compliant with Medicare's 8 Minute Rule for time-based codes. Billing codes are either timed or untimed codes. Practice Pro takes care of this automatically, so you can focus on what you do best—treating patients.

CPT CODES

Integrated charges in your documentation, coupled with Medicare NCCI Edits Rule base will make your biller's job a breeze. Free them from mind-numbing data entry so they can focus on billing better, not harder.

THERAPY CAPS

Another Medicare missile that hits you where it hurts the most – in payments! Practice Pro gives you the tools you need to steer clear of its path—therapy cap tracking, alerts, and automatic KX modifier application.
